

COUNSELOR INFORMATION AND APPROVAL

MPHS is accredited by SACS, Southern Association of Colleges and Schools

2021 SUMMER SCHOOL SCHEDULE: Monday through Thursday 8:30 A.M. – 2:30 P.M.

SESSION I: JUNE 14 – JULY 1 (3 weeks)

SESSION II: JULY 5 – JULY 22 (3 weeks)

MPHS is closed from MAY 20st to June 14th and the month of August. Satellite resumes the second week in September.

MPHS Flexible Scheduling: MPHS is highly specialized in individual and small group instruction year-round on an on-going basis. The school specializes in facilitating and supporting self-paced learning. Therefore, as an added benefit, Memorial Private School can provide flexibility for summer vacation schedules, camps, mission trips and sports activities. Please let us know in advance of any summer plans when registering. Courses at MPHS are not online; each has a dedicated teacher and Course Guide.

The traditional Summer School is a structured classroom format that begins on June 14th Mondays through Thursdays. Each session includes 3 weeks of classroom instruction for each course (semester), A and B. The course is self-paced and students can work ahead if they are able to, or receive extra help as needed. Students can also start their work independently at home if they have the time and ability. If a registered Summer School student would like to start their course *prior to* June 14th and wants/needs to come in for help and/or take the Mastery Quizzes, there is a \$35 per session fee. Students enrolling in Summer School are scheduled to complete the course by July 22. This allows enough time for the grade to transfer to the home school for Fall scheduling and classification. If, for a qualified reason, an enrolled Summer School student does not complete their course, they may arrange tutoring appointments with MPHS at \$35 per session to help complete the course.

Satellite School is for the student that cannot attend the Summer School classroom. This “by appointment” (vs. Classroom) option allows the student to take the course with small group teaching. The student is expected to complete what would have been classroom work, independently at home. Students are allotted 8, 1-hour appointments, which is essentially an hour appointment per Lesson (there are eight Lessons in each semester). The appointment also includes time for listening and speaking for foreign language, questions and review, and taking the Mastery Quiz. **Satellite course deadlines are four months from the time each course is started** (not necessarily registered). **Seniors have April 30th as a deadline during the Spring semester, and work not completed by April 30th will be logged on the transcript as an Incomplete.**

Satellite students during Summer time appointments hours are: Mon – Thurs, between 12:30pm-3:30pm.

Satellite students during Fall and Spring appointment hours are: Mon – Thurs, between 4:15pm-7:00pm.

What the Spanish course encompasses: Courses are not online. Students are given a detailed Course Guide (most all the semester’s assignments) and it is associated with the standard state approved textbook. MPHS is on the Mastery System which means that students will have to complete a Mastery Quiz after each Lesson. This means that some students may be able to absorb the information more quickly and finish early. Likewise, students that need more than the allotted time may use our summer afternoon labs or tutoring for an additional fee.

PRICING: Each Summer School or Satellite course - semester A or semester B is \$490. Summer or Satellite School is \$980.00 for both semesters. Texas requires that both semesters are taken, in order, to count. Textbooks are provided and the fee is included; textbooks must be returned upon the completion of the course.

Summer and Satellite School students are required by Memorial Private High School to obtain the signature of their home school counselor to insure the proper transfer of the course credit(s).

Refund policy: If for any reason, a student is unable to start the course, a refund will be given minus a \$75 admin fee.

Registration and Books: Payment by check for the amount of a course semester will secure your registration. Registration is on a first-come, first-serve basis. A class is subject to cancel if the number of students is insufficient. Students are responsible for damaged or lost textbooks (\$75 per textbook if not returned within one week of taking the Final, and release of the Transcript is contingent upon book return or book payment). All balances must be cleared before the transcript can be issued.
